

# Announcing the Expansion of Interventional Radiologists

## Mitchell M. Weiss, MD

*Vascular and Interventional Radiology,  
Stroke Therapy*

*Fellowships: George Washington  
University Hospital, Washington, DC;  
John Hopkins Hospital, Baltimore, MD*

## Rhonda K. McDowell, MD

*Gastrointestinal, Genitourinary,  
Interventional Radiology*

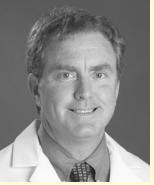

*Fellowship: Massachusetts General  
Hospital, Harvard Medical School,  
Boston, MA*

## Eric M. Lopez Del Valle, MD

*Neuro-interventional Radiology*

*Fellowship: Temple University  
Hospital, Philadelphia, PA*

## John S. Fisher, MD

*Vascular and Interventional Radiology,  
Neuroradiology*

*Fellowship: Massachusetts General  
Hospital, Harvard Medical School,  
Boston, MA*

## Divyang Patel, MD

*Vascular and Interventional Radiology*

*Fellowship: Beth Israel Medical Center,  
New York, NY*

## Brian L. Anderson, MD

*Vascular and Interventional Radiology*

*Fellowship: Northwestern University  
Medical Center, Chicago, IL*

**Our Goal** has always been to provide excellent service to our referring physicians and patients, and we are enthusiastic to serve you and the community. We offer the full array of interventional services and are honored to see you and your patients in consultation for both inpatient and outpatient procedures.

**We are pleased to welcome Andrew G. Davis, MD, and Yair I. Safriel, MD, to our team of radiologists.**

Dr. Davis is an interventional radiologist specializing in cancer treatment and women's health. He completed his fellowship at the University of Pennsylvania in Philadelphia. Dr. Davis also founded the Gulf Coast Interventional Radiology Society, and organized the Gulf Coast Women's Health and Imaging Conferences.

Dr. Safriel is a spine radiologist and neuroradiologist specializing in spine and brain imaging and image-guided therapy of spinal disorders. He lectures extensively on advanced neuro and spine imaging and interventions, and participates in major international spine device multicenter trials. He is a faculty member of the Yale University School of Medicine, a member of the American College of Radiology and a member of the Neuro, Head & Neck Subcommittee of the American College of Radiology Imaging Network.

Angioplasty and vascular stenting • Carotid artery stenting • Catheter angiography and embolization • Chemoembolization • Computed tomography (CT) - angiography  
Cryotherapy • Endovenous ablation of varicose veins • Endovascular embolization of intracranial aneurysms, arteriovenous fistulas (AVF) and arteriovenous malformations (AVM) • Epidural steroid injections • Facet and selective nerve root blocks • Kyphoplasty • Magnetic resonance (MR) - angiography and guided breast biopsy • Needle biopsy of lung (chest) nodules • Radiofrequency ablation of liver and lung tumors • Stroke thrombolysis • Thrombolysis • Transjugular intrahepatic portosystemic shunt (TIPS) • Ultrasound-guided breast biopsy • Uterine fibroid embolization • Vascular access procedures • Vertebroplasty • X-ray-guided breast biopsy

We are available 24 hours a day, every day of the year.  
To further meet your needs, we now offer an answering service for after-hours contact.  
**To schedule consults or procedures, call (727) 462-7513.**
